RE: CEDAR GROVE WATER, INC. – APPLICATION FOR A RATE INCREASE, DOCKET NO.  
W-20541A-15-0119

LETTER OF DEFICIENCY

Dear Mr. Grapp:

In reference to your rate application received on April 9, 2015, this letter is to inform you that your application has not met the sufficiency requirements as outlined in Arizona Administrative Code R14-2-103.

Staff has calculated metered water revenue to be \$179,296.63 based on the provided bill counts, which does not match the Company's reported metered water revenue on the Comparative Statement of Income and Expense on Page 19 of the application of \$169,814.00. Please reconcile the differences and/or provide a corrected bill count. The 30-day sufficiency determination period will begin anew when the company corrects the deficiencies and Docket Control receives an original and sixteen copies of the corrected pages.

You have 15 calendar days, or until May 19, 2015, to correct the deficiencies or make other arrangements with Staff to remedy your rate application. If the corrections or other arrangements are not made by the above date, Staff will request your docket number be administratively closed. Docket Control will retain one copy of the original application for Commission records. You may file an original and sixteen copies of an updated application at a later date.

The Staff person assigned to your application is Briton A. Baxter. He can be reached at (602) 542-7195, or toll free at (800) 222-7000, if you have any questions or concerns.

Sincerely,
